Dear Bride & Groom

It is with great joy that the parish priest of “Nossa Senhora da Boa Esperança”, where the Church of Our Lady of Espinheiro is located, welcomes you. I kindly ask that you contact me at your earliest convenience so that we may arrange our first meeting, intended to discuss the details of your wedding ceremony. If you have chosen another priest to preside at your wedding ceremony, I will be delighted to welcome him, but as Parish Priest, I must delegate to him, in writing, the permission to celebrate your wedding, so that it may be considered valid. Please make note of the following requirements:

1 - One month before the date of the wedding, the following documents must be sent to the Parish Registry: a Religious Attestation from both bride and groom, the Civil Registry Certificate, the document that I shall give you in our first meeting, filled in with all the requested information as well as copies of personal identification documents of bridesmaids and best man). The lyrics of the songs to be sung during the ceremony, so that these may be approved by the Commission of Sacred Art. The readings and prayers chosen for the ceremony must also be shown for approval.

2 - Flower decoration is to be handled by the bride & groom. We kindly request that flowers also be placed on the alter close to the bride and groom (the flowers placed here must later be placed on the bride and grooms table during the reception as a sign that the meal is a continuation of the religious act).

3 - The choir group must sing in the designated area.

Kindly contact me to adjust a date for a meeting at the Parish Registry, and from this date onwards, this Parish shall be accountable for your wedding ceremony. I look forward to welcoming you.

Kind regards,

Priest Jorge Mateus
