## MAINOVA - Wine portfolio tasting

MAINOVA, an authentic, innovative, sustainable brand that toasts the future without ever forgetting the heritage, traditions and truths of the past.

Located in the Alto Alentejo region, Herdade da Fonte Santa has centuries of conservation and improvement of its soil, which it combines with experience in best practices and processes.

Discover the wines that make up this portfolio!

## Tapada de Coelheiros - “Wine and Nuts”

Tapada de Coelheiros works with an agricultural model for the future, regenerating what we have today so that it can exist tomorrow. This is how the wines of Coelheiros are born, from plot to plot and batch to batch, a composition that is woven in a deep connection with the land and nature.

Enjoy a personalized Terroir wine tasting, accompanied by their different varieties of nuts.

## Ervideira

Ervideira is a Portuguese winery that has been producing its wines since 1880. Their wines are true tributes to a man from whom they inherited a love of the land, the sun, the vineyard and wine.

Find out more about Ervideira, don't miss out!

## Fitapreta

The Fitapreta Vinhos estate began to be built at the end of the 14th century, but has undergone changes over the centuries, especially during the 19th century.

At Fitapreta, heritage is experienced in a relaxed and cosmopolitan way, with Évora - a World Heritage city - in the background.

Let yourself be driven and discover the history of Fitapreta.

## Adega do Montado

Adega do Montado produces and sells wine in Serpa and was born out of a dream of one of the partners: to plant a vineyard in the Alentejo and make the region known to the world.

Join us and get to know this family project that spans generations and is founded on a passion for the countryside and the world of wine.
